5th March 2019

Dear Parent / Carer,

With only seven weeks to go until the GCSE examinations start, the year 11 students really are on the home straight. Students will be receiving their February mock examination results on Monday 11th March in a 'mock result day'. Following this, an Exam Preparation Evening for parents and carers will be held that evening to provide guidance on the next 7 weeks and the support each individual child will be receiving. We have decided to pull this evening forwards to co-inside with the mock result day and to give you information as early as possible to support your son/daughters preparation for the final exams.

In order to support each pupil, an individual intervention plan around form time, periods 7's and period 8's has been designed. These will be given to the pupils and sent out to you in due course.

Please note, the Period 7 intervention timetable has also changed in order to support the option subjects. This has also been attached and guides the students' right through to the final examinations.

The Exam Preparation Evening will be take place on **Monday 11th March from 6pm – 7pm**. At the event, students and parents/carers will receive a full break down of the examinations that will take place, including exam booster sessions and exam preparation lessons (EPL), support and revision packs from each subject area will be provided, advice on how parents/carers can support the students during the exams and information on revision techniques.

We really hope you can join us, as this will be the final event before the exams take place. After that we look forward to celebrating with the students on **Thursday 11th July** at Prom and **Thursday 22nd August** on results day.

Yours sincerely,

Susannah Davis
Assistant Headteacher
