Dear Parent/Carer and Former Student

It is with great regret that I am writing to inform you that it is not feasible for ourselves and Carlton Towers to host Prom on Thursday 14th October 2021. This is due to insufficient numbers and the lack of former year 11 students wanting to attend the event. In addition, we have had a number of students withdraw due to college and family commitments.

As an academy we have done everything we possibly can to facilitate this event after listening to parental concerns in July. My pastoral and support staff have spent a great deal of time contacting the 2021 cohort in order to secure the event. Unfortunately, they don't want to or can't attend and therefore we cannot fill sufficient places to financially hire the venue.

I am sure you and the students may find this very disappointing and we would have enjoyed hosting the prom at Carlton Towers. However the Covid19 Pandemic continues to affect our lives.

We would like to wish our year 11 leavers all the best in their post 16 careers.
