11th February 2019

Dear Parent / Carer,

As an Academy, we pride ourselves on providing a bespoke curriculum to all students across the different curriculum areas and Key Stages – especially through the Resilience programme and the Applied Resilience programme. A large part of this is delivered through providing expert coaching, match experience and improved equipment to the PE Curriculum and the Rugby and Netball Academies.

In order to raise funds and provide improved facilities and more opportunities in core PE, PE GCSE Option and the Academies, several members of staff, from various roles and departments will be running the Leeds Half Marathon on **Sunday 12th May 2019**.

However, we would like this to be a community wide project and we are actively encouraging parents and carers and extended family and friends, of any age or any fitness level to come and join Team Brayton! Any money raised will go directly back into providing sports provision for the students of Brayton Academy.

Please be reassured, whilst some of the staff taking part are keen sports people, others only run to answer the door for the take away delivery! This is not about a fantastic finishing time but about raising money for a good cause and doing something for the Brayton Community. If you don't feel you can run the distance – please feel free to come down and support the staff on the day of the event!

If you would like to register your interest in the event please complete the reply slip below and return to reception by Monday 18th February.

Yours sincerely,

Susannah Davis
